English

This term, we will be exploring a range of exciting texts to inspire our writing. Using "The Café at the Edge of the Woods", we will develop our descriptive writing skills, focusing on creating vivid and engaging setting descriptions. We will explore poetry through "Once Upon a Raindrop", experimenting with language and poetic techniques, finally, we will be reading "Winter's Child" to inspire our own imaginative narrative

Maths

This term, we will be developing our mathematical skills by exploring area, multiplication and division. We will learn how to calculate the area of different shapes, strengthen our multiplication skills and explore different methods for solving multiplication and division problems.

Science

This term, we will be exploring electricity. Children investigate how simple electrical circuits work, identify different conductors and insulators and discover how components such as switches can be used to control electrical flow in a circuit.

Geography

This term, we will be exploring the water cycle and discovering how water moves around our planet. We will learn about the different stages of the water cycle, including evaporation, condensation, precipitation and collection.

DT

This term, we will be combining our Science and Design and Technology learning to design and create our very own light-up greeting cards! We will explore how to use simple electrical circuits, including batteries and LEDs to make our designs light up.

Why is water so important to us?

Kestrel Crew – Term 2

2026-2027

PSHE

.This term, we will be following Jigsaw and learning about celebrating differences. We will explore what makes each of us unique and learn to appreciate and respect the differences between ourselves and others.

RE

This term, we will be learning about Pentecost and exploring the Christian belief that the Holy Spirit came to Jesus' disciples.

Music

This term, we will be exploring The Doot Doot Song through the Sing Up music programme. We will learn to sing with confidence, developing our sense of rhythm, pitch and timing.

Dates for your diary

Individual photos — Wednesday 2nd December

Christmas jumper and Christmas dinner day — Thursday 10th December

Christmas fair—Friday 11th December

PE

Children will develop their physical skills through football and cricket. Our PE days are Thursday and Friday.

In football, we will focus on improving our dribbling, passing, ball control and teamwork. In cricket, we will practise batting, bowling and fielding skills,
