

Geography – What is life like for children in different places?

Christian Values = Courage Compassion Trust

Knowledge

In which continents are the UK and Kenya?

The UK is in Europe and Kenya is in Africa. Kenya is one of 13 countries which sits on the equator.

What is the weather like in Kenya and how is it different to the UK?

The UK had four seasons, each typically having a different type of weather. Kenya only has two main seasons, the dry season and the rainy season.

What are the human physical features of Congresbury?

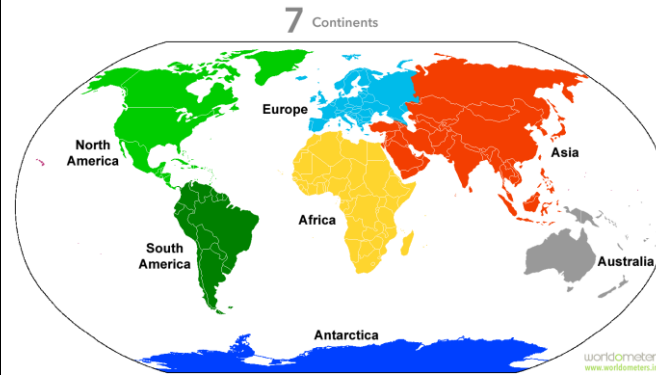

Congresbury has human features such as roads, houses and shops. Its physical features include the River Yeo and Cadbury hill.

What are the human and physical features of Mabambani?

It is a mostly flat landscape with not many buildings. It is not far from the Indian Ocean and a beach.

What are the similarities and differences for children living in both locations?

Children in both locations go to school, although these are very different. In Congresbury most of the buildings are made of brick whereas in Mamambani they are made from mud with tin roofs. The weather is very different in each location.

Vocabulary

Map – A map is a picture of a place, usually drawn from above.

Continents – a continent is a large solid area of land.

Equator - The Earth's Equator is the imaginary line that runs around the centre of the globe at 0 degrees latitude, at equal distance between the North and South Poles.

Country – a country is land that is controlled by a single government.

Location - defining where a certain place is, with reference to some other place.
