Designing a hero to defeat bullying

We're calling on schools far and wide to take part in this inspiring initiative. The challenge is simple yet thought-provoking: encourage your pupils, either individually or in groups of up to 5, to design a poster featuring their very own anti-bullying hero. We want them to think about the qualities and characteristics that a hero would possess to put an end to bullying. Will their hero have colossal feet to stomp out bullying or superhuman hearing powers to listen for unkind words?

Ask for any good ideas for the competition.

5. Tell them to ask their teacher for a blank piece of white paper if they want to enter the competition. Tell them to hand it in next Wednesday or earlier to Mr Wilson
6. Finish with school prayer
