

## **Voice of the Treetops Agenda**

Date – 30/11/23

1. Community builder – Would you rather or 11s
2. Discuss Zones of regulation – how is it working in classrooms?

Who is feeling “blue” today? What does that mean?  
Discuss what the “blue” feelings are. What strategies have you found to get you into the “green”?

3. Our charity to raise money was the Rainbow Trust – it is a charity that supports families whose children are very ill.

Would we like to support a different charity this year?  
What sort of charities do you think would be appropriate?  
Ask for ideas for the Treetops Committee to research.

E.g. Would we like to support charities for children or for everybody? Would we like to support an animal charity or a wildlife charity? Should the charity be local or national?

4. Finish with school prayer
