### Who do we work with?

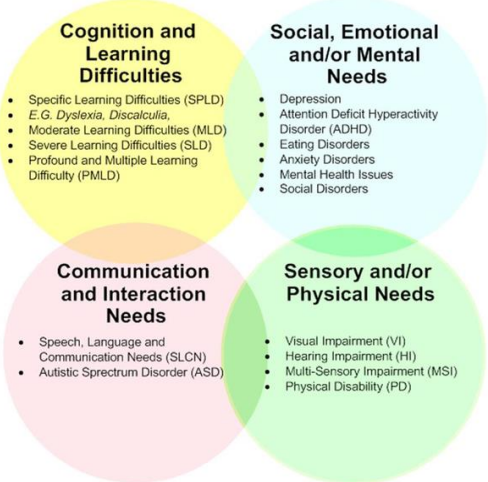

### Graduated response:

We follow a cycle of assess, plan, do and review. Children's Learning plans, pupil passports and files are stored on Provision Map.

### SEND Code of Practice, Areas of Need:

**How will my child be able to contribute their views?**

We value and celebrate each child being able to express their views on all aspects of school life.

Examples may include:

- School council
- Contributions to end of year reports.
- Children who have Learning plans will review their learning termly with their Class Teacher/Learning Partner.
- If your child has an EHC Plan their views will be sought before any review meetings.
- Pupil surveys and pupil voice

**How do I raise concerns?**

Educating your child is about developing strong relationships, which need to be honest and as open as possible. We pride ourselves on building positive relationships with parents. We are open and honest with parents and hope that they are able to do the same with us.

The best person to share your concerns with initially is your child's class teacher. At some point, you or your child's teacher may wish to involve the SENDCo.

If you are still concerned, as a parent or carer you have the right to use the school's complaint process.
