## 'Growing Together'

### Questions to think about...

- What things do you think are fair or unfair in your life?
- Who could you try and 'stick up' for?
- Is there something you could take action on for more fairness in our community or world?
- What rules do you think are important for us to live well?

### **Harvest in the Vineyard**

Jonah needed men to help harvest his grapes. In the morning he chose some and began work. At lunchtime he needed to find more. At teatime he needed even more! Finally, all the grapes were picked. Jonah lined the men up and paid them all the same wage. He argued he wanted to be generous celebrating everyone's effort. Was this fair and right?

### **The Easter story**

The Easter story is at the heart of Christianity

On Good Friday, Jesus Christ was executed by crucifixion. His body was taken down from the cross, and buried in a cave.

The tomb was guarded and an enormous stone was put over the entrance, so that no-one could steal the body.

On the following Sunday, some women visited the grave and found that the stone had been moved, and that the tomb was empty.

Jesus himself was seen that day, and for days afterwards by many people. His followers realised that God had raised Jesus from the dead.
