

Computing

We will use iPads to create stop-motion animations.

History

We will be discovering how Britain changed during the Stone Age, including:

- Describe the key features of a Stone Age settlement
- The roles and occupations of men and women in Stone Age society
- What goods were traded
- The impact of agriculture on Stone Age societies
- The impact stone age tools had on society

Possibilities for home learning:

- Use the internet and books to find out about life in the Stone Age
- Recap on x2, x5 x10 tables and related division facts
- Learn x3 table

Art

Drawing human bodies and faces

English

This term we will be writing narratives using the books "The Secret of Black Rock" and "Stone Age Boy", focussing on:

- Identifying main clauses and subordinate clauses in sentences
- Describing settings
- Using conjunctions in sentences
- Using adverbs

Owls – Year 3 What changed in Britain during the Stone Age? Term 1 2025
