

Ideas for home learning

- Use the internet or books to find out more about the World's Oceans,
- Find out about the Great Barrier Reef and the rich marine life that lives in this unique biome
- Support maths (including Times Tables Rock Stars) and spelling tasks.
- Read daily and keep a quality reading journal.

Maths

- Place Value
- Addition, Subtraction, Multiplication and Division
- Reasoning & Problem Solving
- Fractions

Year 6 Eagles

Autumn Term 2 2025

Term 2:

Why are Oceans so Important?

Science

We will be learning about ...

- Light
- Evolution and Inheritance

Geography

We will be learning about ...

- The World's Oceans
- The Water Cycle
- The Great Barrier Reef
- The Human impact on the Great Barrier Reef
- Using Atlases and maps

English

We will be reading, *A story like the wind*; *Rose Blanche* and watching the informative short animation about the moon of Pandora

We will represent our learning through writing poetry, recounts, discussion, persuasion, fiction and non-chronological reports.

Through these themes we will continue to focus on sentence construction and punctuation, spelling, grammar, handwriting and the enjoyment of reading widely.
