

### English

Focus— Writing sentences with capital letters, full stops and finger spaces.  
Using question marks correctly.

Our class texts are "The lighthouse keepers lunch" by David Armitage and "Gina Kaminski saves the wolf" by Craig Barr-Green.

### Maths

In our maths lessons we will be exploring addition and subtraction within 20 and place value. We will also be working on our problem solving and reasoning skills.

### Science

This half term we will be exploring different materials and their properties. We will investigate the different uses of materials and search for a range of materials around our local environment!

### Geography

This half term we will be exploring where our school is and what is in the local area near our school. We will learn how to read maps to locate key features of an area.

### DT

This half term we will make flying kites by following the DT cycle to research, design, make and evaluate our product.

## Kingfishers—Term 3

# What is the best material to use to make a kite?

### Music

Our music focus this half term is exploring pitch and structure. We will listen to classical music—'Aquarium' from The carnival of the animals by Camille Saint-Saëns

### PSHE

We use Jigsaw in our PSHE lessons. This half term our focus is "Dreams and Goals". We will continue to look at strategies to help us become independent learners.

### PE

This half term in PE we will be learning how to attack, defend and shoot in a game. Please make sure all PE kits are labelled.

### RE

This half term we will be looking at where we belong. We will ask questions to support our learning.

### Key Dates

Bedtime Stories— Thursday 15th January 4.30-5.15

### Reading

Books will continue to be changed on a Monday if they have been read 3X at home. Thank you for all your reading support at home!

### Computing

This half term we will create a digital painting. We will develop basic keyboard skills to type text.
