Remind children of the name of their Treehouse groups names

1. Charity support this year

Our Learning Partners, along with the Treetops council, decided that we would support a charity that focuses on disabled children. We researched and found three that we like:

1. Kids.org (they support disabled children across the country)
2. Gympanzees (they are raising money to create a leisure centre especially for disabled children)
3. Action for kids (raising money for equipment for disabled children)

Have a vote.

What ways could we raise money for the charity? (Take down ideas)

2. Which British value have we been following?

Can you remember how we know all the British Values (I R D M - I Really Do Matter - Individual Liberty, Rule of Law, Democracy, Mutual Respect)

Democracy - We have been voting for our charity

3. Playground equipment

We decided to focus on the smaller things like extra basketball nets rather than the big things like roundabouts. The council will meet and decide how we can buy these. Can you let us know the sort of basketball nets would be suitable?

4. It's National Puzzle Day today!

We have a treetop themed puzzle to solve in our groups. Puzzles help us to focus and improves our problem-solving techniques.

Discuss strategies to solve the puzzle.
