

## Voice of the Treetops Agenda

Date -13/11/2025

### 1. Community builder

Switch game

### 2. Anti-Bullying week

This week is Anti-bullying week. Our theme is "Power for good". This is all about using power responsibly. Bullying is all about a power imbalance where one person uses their power to bully, harm or control someone.

(Share Anti-Bully leaflet and check if every class has one.)

### 3. Show picture

Discuss what is happening in the picture. Who is bullying who and what are the others doing to help or not help?

What should they be doing? Discuss what roles the different people have: Ringleader, target etc..

What could have been done to stop this from happening?

(Use the sheets to prompt discussion about what could be done better - how are they using their power? To control or harm, or to be kind?)

### 4. Act out illustration ("Activity" on sheet)

Act out what should be happening. Assign each group member a role. Once in positions each person could say a sentence about how they are feeling and how they could get help.

### 5. Remember to use your power for good and don't be a bystander.

### 6 Hand out Anti Bully bracelets

### 6. Prayer ...
