

Home Learning

Please continue listen to your children read at least 4 times a week to help increase their fluency. It is also important to ask questions to check whether your child understands the text. If you require any support with this then please ask.

Maths

We will be learning about:

- 2D and 3D shapes
- Multiplication and division
- Consolidating our learning on addition and subtraction

Art & DT

We will be:

- Looking at different portraits and creating our own.

Music

We will enjoy learning how to rap and exploring patterns within music.

Religion and World Views

We will be considering the following big question: "What is the good news Jesus brings?"

What were the causes and impact of the Great Fire of London?

Jay Crew - Term 3 - 2025-2026

Science

We will be learning about Animals including humans. This will include looking at:

- Basic needs
- How to grow into a healthy adult
- The life cycle of young animals

PSHE

We will continue to learn to recognise our emotions and what to do when we're in different zones.

In Jigsaw lessons, we will look at the theme 'Dreams and Goals'.

PE

Jays will be working on dance and attacking, defending and shooting skills.

History

We will be learning about causes and impact of the Great Fire of London. This will include finding out about how the fire started, why it spread so quickly and the impact this has had on the fire service today.

English

This term we are going to be continuing to focus on perfecting the basics - capital letters and full stops. We are going to begin learning pre-cursive style handwriting and continue to ensure our letters are the correct size, every time we write. We will also be learning some new features including conjunctions, apostrophes and commas.

Computing

This term, we will be learning about internet safety. We will be celebrating Safer Internet Day on Tuesday 10th February 2026.
