

English

Our class novels this term are—

Leo and the Octopus where we will be learning about octopuses and writing fact files.

The Enormous Turnip. We will enjoy acting out the story and writing our own narrative.

Maths

In our maths lessons we will be exploring:

-Fractions

-Time

- Money

-Position and direction

We will continue to build on our fluency and problem solving skills daily in maths lessons.

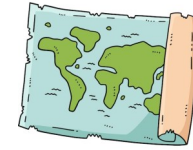

Science

This half term we will continue to learn about plants and seasonal changes. We will find out what plants need to survive and carry out an investigation to find the best conditions for beans to grow. We will learn about the weather in summer and continue to record and monitor the weather throughout term 6.

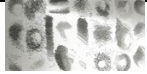

Geography

This half term we will be exploring how countries in the UK are different. We will use a map to identify the four countries in the UK, look at urban and rural places and explore the geographical features of a place.

Art

This half term we will be exploring lines, shapes and patterns in buildings. We will end the unit by designing and making our own tile.

Music

Our music focus this half term is "exploring sound and creating a story".

DT

This half term we will be making a fruit kebab. We will research fruits, design, make and evaluate our finished fruit kebab.
