Changes to FSM eligibility from September 2026

Free School Meals Expansion and Changes from September 2026 As you are probably aware, all pupils in Reception, Year 1 and Year 2 are entitled to a free hot school lunch. This initiative was introduced by the Government in 2014 and aims to ensure that all children can benefit from a hot meal at lunchtime. Additionally, your child might be eligible for Free School Meals programme based on your income or personal circumstances. Children may be eligible for a free school meal on this basis, if parents are in receipt of one or more of the below benefits.

The income threshold to qualify is that of £7,400:

- Income support
- Child tax credit
- Working Tax Credit
- Income based Job seeker's allowance or Employment and Support Allowance
- Income related Employment support allowance
- Support under part VI of the Immigration and Asylum Act 1999

It has recently been announced that FSM programme is going to expand as of September 2026 to include families receiving Universal Credit, who will be able to access free school meals. If your child is joining Reception class in September 2026 and you believe that you are entitled to claim for a free school meal because you are in receipt of one or more of the above benefits, or you are receiving Universal Credit it is essential that you apply for the FSM benefit (even though all pupils in Reception, Year 1 and Year 2 are already entitled to a free school lunch). This also applies to families who receive Universal Credit and whose children are already attending school. This is important because Pupil Premium funding to schools is relevant to the number of pupils who are entitled to receive free school meals. If parents who receive such benefits do not apply for free school meals, then the school will not receive the maximum funding to re-invest into the education of your child. Additionally, if you are not currently entitled but your circumstances change, it is really important that you still submit an application. Please call into the office and speak to one of the team, who will be pleased to help you with any questions you may have.

The second big change is that the transitional protection policy will no longer apply to children entitled to Free School Meals and it will terminate at the end of the 2025-26 academic year. This means that the eligibility for FSM will only be granted for one academic year at a time.

Re-checks for each child will be required every year going forward. All existing pupils in receipt of free school meals will need to have their entitlement re-checked before the start of September 2026, over the summer break. Anyone who was awarded FSMs over 2 years ago would have applied via an old system. These parents/carers, as well as parents of the children joining Reception in September 2026 will need to apply/reapply via their North Somerset Citizen's account (which is the same as the one used for School Admissions applications), before September 2026, but not sooner than from the beginning of August. To apply please use this link: <https://n-somerset.gov.uk/my-services/schools-learning/local-schools/free-school> Please contact school office if you have any questions or need support in applying. Unfortunately, North Somerset Council have advised that the schools cannot apply on parents' behalf, however, we are happy to guide you through the process and help wherever we can.

CHANGES TO FREE SCHOOL MEALS

GUIDANCE FOR PARENTS AND CARERS

LIGHTHOUSE
SCHOOLS PARTNERSHIP

From September 2026, more families will be eligible for Free School Meals

Applying could save you up to £495 per child, per year, on school lunches

FREE SCHOOL MEAL EXPANSION

More families may be eligible for Free School Meals (FSM) from September 2026, when families receiving Universal Credit will be able to access free school meals. There will be two types of Free School Meal eligibility from September 2026:

TARGETED FSM
Continues to be based on the existing £7,400 income threshold.

EXPANDED FSM (NEW)
Applies to meals only. Covers pupils whose households are in receipt of Universal Credit

IMPORTANT: While eligibility to Expanded FSM will be automatically granted to all recipients of Universal Credit, families will still need to apply to receive this benefit.

RECHECKS FOR ALL PUPILS CURRENTLY IN RECEIPT OF FSM

Since 2018, there has been a Free School Meal transitional protection policy to ensure that children didn't lose their free school meals if their family's income increased. This meant that free school meals entitlement has been typically looked in until the end of the child's current phase of education (e.g. end of primary or secondary school).

This protection is ending at the end of the 2025-26 academic year.

This means that all existing pupils in receipt of free school meals will need to have their entitlement rechecked before the start of September 2026. If your family's earnings exceed the FSM threshold, your child(ren) will lose their eligibility and pay for school meals from September 2026.

In most cases, these rechecks will be automatic and no action will be required by parents

NORTH SOMERSET SCHOOLS ONLY

Anyone who was awarded FSMs over 2 years ago would have applied via an old system. These parents/carers will need to reapply via their North Somerset Citizen's account.

ADDITIONAL FUNDING FOR SCHOOLS THAT BENEFITS PUPILS

Pupil Premium is extra funding given to schools for every child whose family is entitled for Targeted Free School Meals. This money makes a big difference to schools and the eligible pupils. It is often used for extra resources, school trips and additional staff.

Pupil Premium will continue to be paid to schools for those pupils who have been covered by the transitional protection arrangements outlined above.

North Somerset Mental Health Team Update

The North Somerset Mental Wellbeing Team have developed a new online resource for children, young people and adults to find mental health support services for CYP. We want users to be able to find the right service at the right time. There are two sections to this webpage: one for CYP themselves to use and one for adults to use. North Somerset Walking Challenge 2026

At the end of April 2026 an article appeared encouraging North Somerset work teams to take part in a May Walking Challenge. Always keen on a challenge, I popped the information onto our staff group to gauge any interest. I was blown away when immediately 10 keen people came back. The challenge began.

As we are all a pretty fit bunch, we discussed how many daily steps a challenge would be and agreed a target of 13,000.

What a month it was! A WhatsApp group was set up and Mrs Baird, Mrs Midgley, Mrs Riley, Ms Dyson, Mrs Gilbert, Mrs Riddiford, Ms Stevens, Ms Tivey, Ms Plimbley and myself recorded daily steps, walks and photographs.

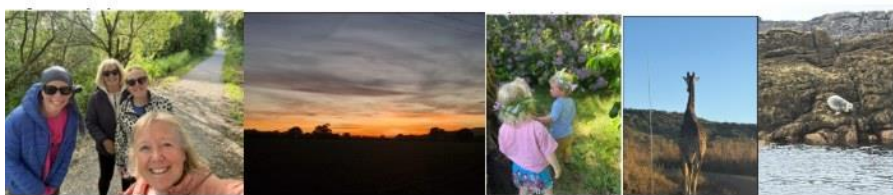

Family were encouraged to join walks, you may have seen Mrs Riley and Mrs Mayo walking the village at 7.00am for a 5k before school, group evening walks were arranged and Ms Plimbley even managed a walk in South Africa.

We had so much fun and even though it was a team effort, everyone's competitive sides definitely came out with Mrs Baird ending the month with a 30k walk Mendip Challenge.

Out of 19 team entries, St Andrew's came first for the amount of steps recorded at 4,705,792.

The whole event saw 40 million steps counted equal to walking the length of Britain 23 times.

What an achievement!!

Congresbury Library Read to the Beat Summer Challenge

We're delighted to tell you that the Summer Reading Challenge is back in North Somerset Libraries this year! The Summer Reading Challenge is a great way to encourage four to 11-year-olds to keep reading books over the summer and help them boost their reading skills. Last year over 2500 children took part in North Somerset, and we want to reach even more

this year. We are also inviting pre-schoolers to take part this year, with a special mini challenge.

We have also been lucky enough to be gifted a prize for the school with the highest percentage of participants - one reading-themed Wall Art project from Wall Art by Promote Your School, including design, print and installation. (See attached terms and conditions for more details)

Our exciting partnership with Universal Music Group UK will open doors for children to explore the creative power of reading and music. The link between music and storytelling runs deep. Think rhythm, self-expression, and creativity. Children will have the opportunity to hear from inspiring musicians at the top of their game, championing the joy of reading.

The official Read to the Beat Collection includes books about musicians, characters discovering music, sound science, cultural traditions, rhythm, storytelling through sound, breaking down barriers to music, creative expression and following your dreams.

Recent research shows that children's enjoyment and engagement in reading is in decline, despite research from the OECD showing that reading for pleasure is the single biggest indicator of a child's future success – more important than either parents' educational background or household income. The Summer Reading Challenge supports children to get excited about reading throughout the summer, helping to maintain their reading at a time when engagement can often dip.

- It's totally free to take part.
- Children can sign up in North Somerset Libraries from Saturday 4 July
- If they read any 6 library books of their choice, they will collect a sticker per book for their challenge folder.
- If they complete the challenge by Saturday 12 September, they will receive a certificate and medal while stocks last.

The Summer Reading Challenge:

- Significantly **improves reading confidence** and independence.
- Ensures pupils are **ready for their return to school**, preventing the summer reading 'dip'.
- Aids the **successful transition** between year groups and key stages.
- Contributes to *all* pupils' **achievement**.

- Encourages **extra-curricular activity** – encouraging family engagement with reading.
- Develops links between your school, the library and the **wider community**.

Saturday 4 July 2024 – Saturday 12 September 2026

If you're starting school this September, you can join in on the Summer Reading Challenge!

Just sign up at your local library from Saturday 4 July 2026, read 6 books (with a grown up if you want) by the 12 September, and you could earn a certificate and medal!

We've got lots of events happening over the summer holidays too - for more details talk to your local library.
