

English

Focus— Writing a simple sentence with a capital letter, full stop and finger spaces. We will focus on forming each letter correctly.

We are reading "Billy and the beast" by Nadia Shireen and "Dear Zoo" by Rod Campbell this half term.

Maths

Focus— Place value, sorting and counting,

In our maths lessons, we will read, write and count numbers to 10; find more than/less than and sort groups of objects. We will also look at how to answer problem solving and reasoning questions.

Science

This half term we will be learning about plants. We will label parts of a plant and find out what plants need to survive. We will investigate wild plants, garden plants and look at the difference between evergreen and deciduous trees.

Geography

This half term we will be focusing on physical and human geography to describe where our school is located. We will learn how to read a map and describe the features of a school.

Art

This half term, we will be exploring patterns and mark making using a range of media including pencil, chalk and paint. We will explore art in nature, and look at the artist Andy Goldsworthy.

Kingfishers—Term 1

What do plants need to grow?

PSHE

We use Jigsaw in our PSHE lessons. This half term our focus is "Being me in my world".

Computing

This half term, we will be exploring technology around us and how it helps us.

PE

This half term, we will be improving our throwing and catching skills and playing team buildings games. PE is on a Monday. Please ensure all PE kits are named.

Reading at home

Books will be changed on a Monday if they have been read three times. Please hear your child read at home as much as possible.

Dates for your diary

Meet the teacher—Wednesday 16th September 2.45pm

Reading info sessions—23rd September 2.30pm or 24th September 5pm

RE

This half term we will be exploring what Christians believe God is like.
