

English

We will be using the book "The Secret of Black Rock" to write a narrative.
We will learn about main clauses, subordinate clauses and using conjunctions in sentences.

Maths

We will be focussing on adding, subtracting, ordering and comparing 3 digit numbers

Geography

This term we will be comparing and contrasting different settlements, focussing on Congresbury and Weston-Super-Mare. We will find out how 5 settlements begin, how they develop and describe geographical changes over time.

PE

This term we will be focussing on hockey and gymnastics.

Our PE days will be **Tuesday** and **Wednesday**

Music

We will compose a pentatonic ostinato, play melodic accompaniments to a song and sing songs in a round

RE

Why are some journey and places special?

We will investigate why some people make pilgrimages

Science

In our Science lessons this term we will be learning about the importance of exercise and nutrition and investigate the function of skeletons & muscles

Owls -Term 1

How are settlements established?

PSHE

We use Jigsaw in our PSHE lessons.
This term we will be recognising our own worth, setting goals, facing challenges and understanding rules.

Home learning

Please continue to read at home as much as possible.

Review and practise the x2, x5 and x10 tables

Important dates for your diary

Meet the teacher — Monday 14th September - 2.45 p.m.

Art

Drawing human bodies and faces, including self-portraits.
