Kingfishers -Term 2

How are our senses connected to different parts of our bodies?

English

Focus— Writing sentences with capital letters, full stops and finger spaces.

This half term we will be reading "Stickman" by Julia Donaldson and "Lost and Found" by Oliver Jeffers.

Maths

This half term we will be focusing on addition and subtraction within 10 and 2D and 3D shape. We will continue to develop our problem solving and mathematical reasoning .

History

This half term we will be exploring how communication has changed over time. We will be looking at the first forms of communication, cave art, telephones and typewriters.

PE

This half term we will be learning new gymnastics skills in our PE lessons. Please make sure all PE kit is labelled and in school each week. Our PE days are **Monday** and **Wednesday.**

Computing

This half term we will be learning how to create a digital painting. We will learn how to save our work as well as discuss online safety.

Science

This half term we will be learning about our senses. We will also identify and label the basic parts of the human body.

RE

This half term we will be exploring why Christmas is important and is celebrated by Christians.

PSHE

We use Jigsaw in our PSHE lessons. This half term our focus will be on celebrating differences.

Home reading

Please continue to read at home as much as possible. Books will be changed on a **Monday.** We are looking for more mystery readers!
